

I help children who are 0-5 years old learn to recognize and express their **EMOTIONS**.

I name emotions.

You are sad because your truck is broken.

I help children who are 0-5 years old learn to recognize and express their **EMOTIONS**.

I name emotions.

I am happy because Grandma is coming to visit us.

I help children who are 0-5 years old learn to recognize and express their **EMOTIONS**.

I name emotions.

Your friend is mad. Look, his eyebrows are arched and he is squeezing his fists hard.

I help children who are 0-5 years old learn to recognize and express their **EMOTIONS**.

I name emotions.

The chick is scared. Look, he is shaking. His heart must be beating fast.
